AN UNCONVENTIONAL
TAKE ON BATHING COMFORT...

FINENESS VIA PROGRESS

DESIGN, QUALITY & TECHNOLOGY

Soft Water Flow

Metal Creations
from Honey Brass Metal

Higher Durability

100% Factory Tested

Operates Smoothly

Advanced Water
Saving Flow Regulator

Higher Longevity

Langar's vision guides the company and culminates in the recognition as one of the leading producers of world-class bath fittings. As a result of substantial growth and a quest to maintain leading edge technology and processes, the company has created a new state-of-the-art, plant, strategically located. Our mission is attaining excellence through technical advancements, combined with social responsibility and respect for the environment. We utilise technologies aimed at reducing the usage of water and has been very active in developing new lines that use significantly less water. Consistent with its commitment to environmental concerns, we produce new and innovative products, from our R&D.
